Northridge Veterinary Clinic offers this program in cooperation with the Washington County Johnson City Animal Control Center. It is open to anyone needing low-cost assistance. Please complete this form before making an appointment for the surgery. Please bring all current vaccination records to your appointment. Due to the risks posed by communicable disease, we strongly recommend that your dog or cat is current on their vaccinations. Please have your dog on a leash or your cat in a pet carrier.

All pets will receive a physical examination prior to the surgery and any pets deemed unfit may be diagnosed, treated, and/or hospitalized at the owner's discretion and expense. Normal clinic charges will apply. All pets will be given a rabies vaccination that is valid for one year. If the animal is in heat, pregnant, has excess fat or mature organs, there will be an addition charge of no more than \$50 for the increases time and supplies. If your pet is five years or older, there may be an additional charge of \$20 for fluids. Pain medicine is optional and the cost depends on the pet's weight.
